General Statement of Expenses

Citizens Action Coalition of Indiana, Inc. (CAC) is a 501(c)4 not-for-profit organization. CAC's program involves issues such as energy policy, utility reform, health care, pollution prevention, and family farms. In order to achieve the objective to protect consumers in Indiana, CAC's activities include performing research, carrying out public education campaigns, organizing citizens, creating public awareness, lobbying legislators, intervening in utility cases before the Indiana Utility Regulatory Commission, and litigating when necessary.

CAC's primary source of income is the individual contributions which our members and supporters make through ongoing door-to-door and telephone community outreach. In 2005 fiscal year, CAC's expenses were \$1,156,730. The graph helps illustrate how those expenses were distributed. The percentages and descriptions contained herein have been derived from the financial audit for CAC's 2005 fiscal year performed by Mike Gaby, CPA.
